

NATIONAL SEEDS CORPORATION LIMITED  
(HR / TRAINING DIVISION)

**Sub: NSC recruits Trainees/Management Trainees in various disciplines.**

From the year 2016 onwards, NSC is recruiting trainees/MTs in various disciplines to strengthen its production and marketing of quality seeds to be made available to the Indian farmers. The selection process is through written examination covering candidates all over the country. Further interview process is conducted for MTs.

During the year 2018 recruitment process, by competing in the All India written test, a batch of 77 Sr. Trainees/Trainees of Production & Mktg. have joined NSC in the month of June and another batch of 77 trainees mainly of Finance, HR, Agril. & Engg have joined in July.

Another batch of about 35-40 Management Trainees is going to join in the last week of July.

This young force of NSC from various parts of India, will strengthen the functioning of NSC and fill up the vacuum being created by retirement of older officials.
