Production Programme for Rabi Crops on share basis for 3 years at Central State Farm, Jawalgera
(Raichur)**

1. The Land will be assigned to the farmer who intent to take up removal of Juliflora Bushes & other development activities under seed production programmer of different crops at the farm land in Rabi seasons for three years as detailed in ANNEXURE-1.
2. The Land will be assigned to the tenderer on "As is where is" basis and reclamation/ development work required, if any, shall be carried out by the tenderer at his cost.
3. The tenderer will remove the Juliflora Bushes, root uprooting, bunding, rough leveling and finally making the field for cultivable land on his own cost and after all land development activities prepared field will be sown by tenderer for seed production programme as per direction by the Competent Authority of this farm for next three years as mentioned in Clause No. 1.
4. Seed production programme of different crops shall be offered on share basis. The Rabi season crops can be sown from September to December.
5. The tenderer will be entitled to carry out the production programme as per terms and conditions and the ownership of the land will remain with the farm.
6. The prospective tenderers shall have to deposit lot wise EMD at the rate of Rs.2500/- per Hectare (Rupees Two thousand Five Hundred only) for participation in the tender. The EMD should be deposited online only. The EMD of successful tenderer shall be converted into Security Deposits while that of the unsuccessful tenderer shall be refunded within a week without any interest on such amount. Security Deposits of the successful tenderer shall be refunded on successful completion of the production programme without any interest on such amount.
7. The irrigation water for raising the crops will be made available as per the availability of water in the canal/P.O. However, in case shortage of water is felt, the tenderer will be allowed to lift water from the adjoining farm tank to meet out the irrigation requirement at his (tenderer's) cost. While lifting of water from the tank, the tenderer will ensure to maintain a minimum of 5 ft. water level from the bottom of the tank.
8. Selection of crop/ varieties/class will be the sole discretion of the farm authorities and the tenderer will abide by the same.
9. The tenderer has to hand over whole quantity of produce to the farm. The tenderer will have to share a percentage of raw seed with the farm towards the land and water utilization, which will be decided through tender by the farm authorities on the basis of maximum percentage offered as farm's share. The farm will retain the tenderer's share also and reimburse for the same in lieu of cost of inputs and maintenance of the crop, as detailed below:-
 - a. The produce (Tenderer's share) of the crop i.e. Paddy, Redgram, and Bengal gram etc. for which Minimum support price (MSP) is declared by GOI, will be taken over at par with the rate of MSP. If any Bonus on MSP is given by the Central or Karnataka government, the same will be added in the amount to be reimbursed.

- b. The raw seed (tenderer's share) of any other crop for which MSP is not declared by GOI, will be taken over at the average price in the nearest APMC of concerned crop. The average price will be determined by taking average of maximum and minimum rate of concerned crop during peak arrival period for 30 days. The peak arrival period of the crop to be considered will be accordance with the latest procurement policy of the Corporation.
 - c. The raw seed (Tenderer's share) of Jute, Maize and vegetable crops will be procured on the rate 20% less of the procurement price of R.O. Secunderabad. If the procurement price of any crop is not available at R.O. Secunderabad, the PP will be finalized as per the PP of the Corporation. Advance payment to the farmers will be released as per the IP of the Corporation.
 - d. If the seed crop is affected by rain or other vagaries of weather at the time of maturity or post-harvest operations, and the raw seed is damaged /discoloured/ spoiled etc. In such circumstances, the farm will not take over the tenderers' share of produce and return the same after retaining farm's share from total produce. Thus, nothing will be reimbursed on account of tenderer's share.
 - e. On physical inspection of raw seed at the winnowing centre, if the extent of impurities like damaged/discoloured/insect damaged/shrivelled grain/ mud particles etc. is found on higher side i.e. more than 15%, then, such lots will be liable to be cleaned by the tenderer at his (tenderer) cost upto the extent that the non seed must not exceed 15% in raw seed to be handed over. The non-seed so received, if any, will be returned to the concerned party after retaining the quoted farm share respectively.
 - f. The non-seed material of the tenderer received as combine mixture or rouged material at winnowing centre will be returned to the tenderer after retaining the quoted farm share respectively.
 - g. The development activities will be carried out by the tenderer should be verified/ inspected by a farm committee before sowing and after clearance of committee report, the tenderer will be allowed for further sowing under seed production programme otherwise the whole tender will be cancelled and the EMD amount lying with the farm will be forfeited accordingly.
 - h. The Agreement will be done for three years. However, work of area development should be completed well before sowing of Rabi 2018-19 for category C & for Rabi 2019-20 for category A & B as per the Annexure-1 enclosed and the Farm Committee will certify the development work.
 - i. The agreement will be terminated after one year period in case satisfactory development work not carried out by the concerned party and security deposit will also be forfeited accordingly.
10. The supply of planting material of any category i.e. TL/certified/ foundation/ breeder/Nucleous seed will be provided by the farm only at the prevailing sale price of certified seed and the same will be deducted at the time of final settlement.
11. The tenderer will have to arrange for all inputs like seed, fertilizer, pesticides, machinery/ implements and labour etc. and all expenses of seed production excluding certification charges shall have to be borne by him.
12. All development and agricultural operations like land preparation, fertilizer/pesticide application, rouging, harvesting/ threshing, transportation of produce to the threshing floor, drying (upto 12% moisture), bagging and weighment of raw seed and shifting to godown etc. shall have to be carried out by the tenderer at his (tenderer's) cost as per directions of farm authorities. However, packing material and internal transport at winnowing centre shall be provided by the farm.
13. If any schedule operation is not carried out by the tenderer at appropriate time, the farm will have the right to conduct the operation on the risk and cost of the tenderers and the cost of the operation with 5% supervision charge will be deducted from the final amount to be reimbursed. If he repeats the same three times in a season, then, his agreement will be cancelled without giving any notice and his security

deposits will be forfeited. Further he will also be debarred for participation in future tender including forfeiture of his security deposits.

14. Farm will release 80% advance payment on MSP/mandi rates (wherever MSP rates are not available/fixed) on the produce delivered to the Farm (tenderer's share quantity) and balance 20% after finalization of rates.
15. The tenderer has to adopt Integrated Pest Management practices in a maximum area.
16. The tenderer has to use fertilizers and nutrients as per soil test report.
17. The tenderer has to use bio-fertilizers and green manure in a maximum area.
18. If the farm ought to accept the raw seed with excess moisture content because of bad weather, the farm will have the right to impose proportionate moisture cut on the weighment.
19. The tenderer will have to maintain isolation distance and to arrange rogueing in the assigned fields as per specifications at his (tenderer's) cost. If he fails to do so, the farm will arrange rogueing at the cost of tenderer. If the farm ought to re-offer the area because of poor rogueing, the tenderer will bear the re-inspection fee. In case of rejection of field by certification authorities, the tenderers share of the crop produce will be procured by the Farm at the minimum rate of nearest APMC of concerned crop.
20. Machinery/ implements available at the farm can be used by the tenderer at the rate(s) fixed by the farm if the same can be spared on hire basis.
21. The tenderer will be liable to arrange entire security of the assigned crop/fields/produce from sowing to hand over of produce.
22. The tenderer or his representative will not cause any damage to the movable or immovable property of the farm directly or indirectly. Any loss or damage to such property as assessed by the farm authorities shall be recovered from the tenderer.
23. The tenderer will have to arrange for cleaning/ de-silting of related distributory/outlet or water course in the allotted area at his cost.
24. The farm will have no liability on account of any accident/damage/loss of man and material of the tenderer during the course of various operations and all legal and other responsibilities on account of the same will be of the tenderer only. The tenderer will abide by the labour rules and regulations. If the farm ought to pay any compensation on behalf of the tenderer, the farm will have the right to deduct the same from his final amount to be reimbursed.
25. The Tenderer will submit a list of his supervisors/representatives engaged.
26. The tenderer have to submit a list of machinery/implements engaged by him to the farm management so as the farm will aware the machinery/implements working on farm land.
27. The Tenderer will be responsible for any indiscipline/illegal act of him or his engaged personnel. They are liable for legal action for any misconduct or illegal action.
28. The Tenderer will pay income tax/ service tax or any other levy applicable under rules & if he is not registered, then such charges shall be paid by NSC and the same will be recovered from the tenderer.
29. Tenderer will not construct any permanent structure at the farm and he will not be allowed to keep any animal within the farm area.
30. The farm can reduce/ withdraw any part of assigned area as per the requirement of the farm.

31. If the assigned area could not be sown due to the reasons beyond control, the farm will return the security of the tenderer only and no operational cost if any will be reimbursed thereafter.
32. The Tenderer will not sub-let the area of land allotted to him for seed production purpose.
33. Tenderer will have to sign an agreement of these terms & conditions on non-judicial stamp paper of Rs.100/- to be purchased by him. The original agreement will be kept with the farm and a certified copy of the same will be given to the tenderer.
34. The Tenderer cannot take raw produce from the farm except prior permission of the farm director.
35. The Tenderer will have no right on the crop residues like straw/stems/debris after harvesting and he will not be allowed to lift the same.
36. The Farm Director reserves the right to accept or reject any or all offers received and also to cancel a part or whole tender process without assigning any reason.
37. If the tenderer is failed to fulfill the terms and condition of this agreement because of any unpredictable, uncontrollable and undiagnosed natural calamity/disaster/conditions, in such circumstances, the decision will be taken by the farm committee after assessment which will be accepted by both the parties.

ARBITRATION

In case of any dispute/difference/disagreement between the parties and unable to settle them mutually, the same may be referred to the Chairman cum Managing Director (CMD), National Seeds Corporation Limited (NSC) or any person appointed by the CMD as arbitrator and their decision shall be final and binding on both the parties. The Courts in Raichur district will have the jurisdiction to adjudicate the matter in case of dispute between the parties.
